

\$100,000!!!!

A Hundred for a Home has officially raised \$100,000!!! We would like to say a big THANK YOU to all of you who have contributed, prayed, sent encouraging notes and passed on our website to your family and friends!!!

Truly, the McNeils are loved by many and this gracious outpouring of support has been so overwhelming and a tremendous blessing - not only to the McNeil family, but to Michele and I as well.

Many friends (and even strangers) have organized unique opportunities to raise money for AHFAH. Here is a summary of just a few:

- *a chili cook-off where over \$2000 was raised*
- *Over \$500 collected during a children's worship service at a church*
- *a few people have asked that in lieu of gifts for Christmas or birthday that money be sent to AHFAH.*
- *A senior in high school independently made her own video and organized a fundraiser at her school.*

One of the greatest blessings to us was a letter we received written by a 5th grade girl. It read:

"Dear McNeil Family,

The 5th and 6th grade classes raised \$203.16 for a new home so your children can be safe. How we raised the money: We set out a box so that students can put in spare change.

Students were allowed to wear sweats if they brought in 50 cents. We are all praying for your family. Hope the best."

What an amazing process to watch so many adults create fundraisers of their own - but to have a 5th grade student be moved to action in her community - amazing!!!

Thank you for being involved in this cause to help provide a home for the McNeils and assist them with the medical costs they will encounter along this journey. We hope and pray that the Lord continues to bless A Hundred for a Home!!!

Blessings,

Kamariah and Michele
